

# CHRODIS WP5 Kick-off

**EuroHealthNet**

EUROPEAN PARTNERSHIP FOR IMPROVING HEALTH, EQUITY & WELLBEING

**Cristina Chiotan**  
Public Health Coordinator

# CHRODIS

## Questionnaire on Good practice in the Field of Health Promotion and Disease Prevention

EuroHealthNet's Team:

Ingrid Stegeman, Cristina Chiotan

# Landscape

- **Policies: how and at what level are developed and implemented**
- **What are the main current policies - include socio-economic gradient; special focus on older populations**
- **Financial mechanisms**
- **Main public bodies**
- **Main other organisations (NGO's, private, etc)**

# Good practice databases

- List existing databases ? (five)
- What criteria has been applied ?
- Have good practices been ranked according to those that best meet this criteria ?

*Good practices to reduce coronary heart disease, stroke and/or diabetes type 2 and/or their underlying risk factors*

# Forecasting studies

- **List forecasting studies in your country in relation with chronic diseases prevention**
- **Have them taken into account in policies or programmes**

**EuroHealthNet**

EUROPEAN PARTNERSHIP FOR IMPROVING HEALTH, EQUITY & WELLBEING

# Cost-effectiveness studies

- **Report on studies undertaken in your countries (after 2000);**
- **Examples and short abstracts;**
- **Best quality in implementation, good results for cost-effectiveness and efficiency.**

# Gaps and needs

- **Focus on policies and interventions to support AHA**
- **Support from the guidance document on needs assessment**

# Needs Assessment Guidance Document (I)

- Themes and questions and different dimensions of effective policies and good practice programmes/interventions
- Consider national, regional and local level
- Not mandatory to report – summarize findings and relevant reflections

# Needs Assessment Guidance Document (II)

- ✓ **Leadership/strategic vision**
- ✓ **Evaluation (policy level)**
- ✓ **Cross-governmental action**

**EuroHealthNet**

EUROPEAN PARTNERSHIP FOR IMPROVING HEALTH, EQUITY & WELLBEING

# Needs Assessment Guidance Document (II)

- ✓ **Financing**
- ✓ **Data/monitoring**
- ✓ **Implementation**

**EuroHealthNet**

EUROPEAN PARTNERSHIP FOR IMPROVING HEALTH, EQUITY & WELLBEING

# Needs Assessment Guidance Document (II)

- ✓ **Evaluation (of programmes and interventions)**
  - ✓ **Partnerships and multidisciplinary work**
    - ✓ **Knowledge development**

# After the coffee break...

- ❖ Go through the questionnaire;
- ❖ Provide specific comments regarding content (missing issues, information to be added, etc.);
- ❖ Are there any challenges in identifying responses, consulting with an expert group;
- ❖ Provide feedback on the Needs Assessment Guidance Document;
- ❖ Make an initial exchange on country context for chronic disease prevention and health promotion

Questions....

**EuroHealthNet**
