# Activities of Work Package 5 in 2014 (so far ...)

- Work Package Meeting held in Cologne on April 28<sup>th</sup> and 29<sup>th</sup> 2014
- Development and dissemination of a questionnaire:  
*Good Practice in the Field of Health Promotion and Primary Prevention*

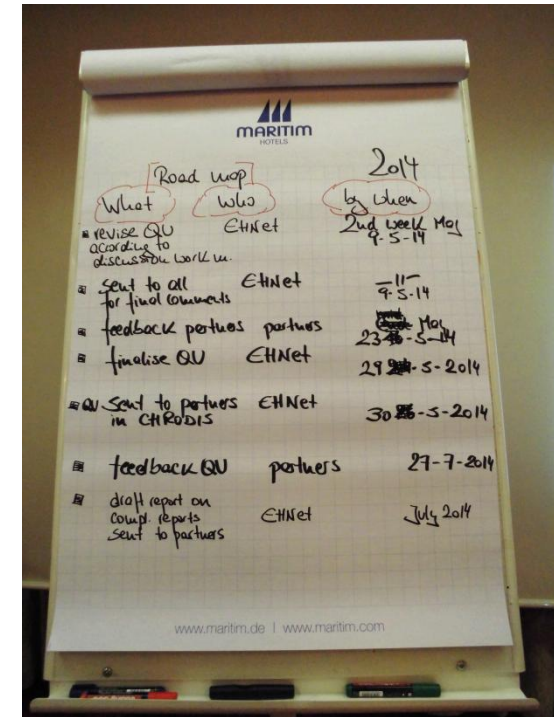

Participants of the Work Package Meeting in Cologne

# Key outcomes of the Work Package 5 Meeting in Cologne - April 28<sup>th</sup> and 29<sup>th</sup>

## Task 1 - Discussion and elaboration of the questionnaire *Good Practice in the Field of Health Promotion and Primary Prevention*

- Consent to focus on cardiovascular diseases and Diabetes Type II
- Main focus on elderly people but following a life cycle approach
- Include gender related aspects

The Road Map 2014

# Questionnaire „Good Practice in the Field of Health Promotion and Primary Prevention”

## Questions:

1. Health Promotion and Primary Prevention landscape?
2. Procedures/mechanisms/criteria to identify GP?
3. GP databases and criteria used?
4. Forecasting studies and Cost effectiveness studies?
5. Gaps and Needs? (Needs Assessment Guidance Document)

## Approach:

- Reports, MoH, IPH, etc.
- Expert consultations (expert group)
- (grey) literature search
- + supplementary EU level studies by EuroHealthNet

**Deadline, 27 July, 2014**

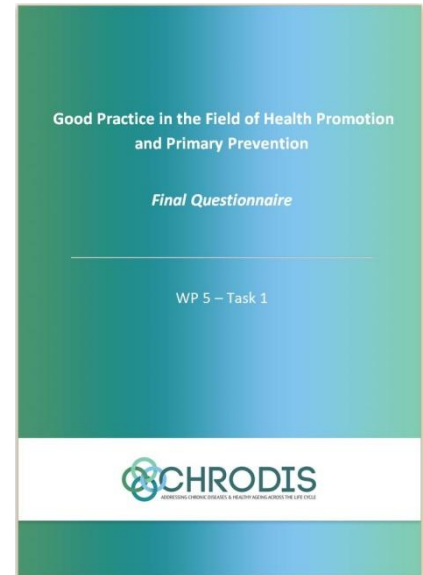

## Outcomes:

- Country Reviews
- Input for Delphi process on GP criteria

WWW.CHRODIS.EU. Overview Report

**Online Sept 2014**

**End 2014/Start 2015**

**Title page of the questionnaire**

# Key outcomes of the Work Package 5 Meeting in Cologne on April 28<sup>th</sup> and 29<sup>th</sup>

## Task 2 “Defining an Approach”

- Task-leader: BZgA in cooperation with EHNet (cooperation with WP4 lead IACS for Delphi study)
- Discussion of the objectives and methods for task 2
- WP 4 will organise a Delphi study to support the agreement on criteria for the assessment of good practices.
- For the purpose of the Delphi study, expert panels will be established.

**Practical example for the promotion of physical activity among public health experts:  
Walking tour in Cologne**

# Next steps in Work Package 5

- Collection of replies to the questionnaire until July 27th
- Analysis of the questionnaires and compilation of country reviews until September 2014
- Preparation of Task 2: Development of criteria for the identification and evaluation of good practice
- Preparation of a Template form for the description of project examples
- Next Work Package Meeting scheduled early 2015 after the EB meeting

# The Joint Action on Chronic Diseases and promoting healthy ageing across the life cycle (CHRODIS-JA)\*

**\* THIS PRESENTATION ARISES FROM THE JOINT ACTION ON CHRONIC DISEASES AND PROMOTING HEALTHY AGEING ACROSS THE LIFE CYCLE (CHRODIS-JA) WHICH HAS RECEIVED FUNDING FROM THE EUROPEAN UNION, IN THE FRAMEWORK OF THE HEALTH PROGRAMME (2008-2013)**
