

**CHRODIS+**  
IMPLEMENTING GOOD PRACTICES FOR CHRONIC DISEASES

Co-funded  
by the Third Health Programme  
of the European Union

# CHRODIS PLUS Joint Action

## Work Package 5 Update

18.06.2018

# Task 5.1

- 11 Updated Country Reports
- 7 New Country Reports
- Overview Report on Health promotion Landscape
- Reports are ready to be made publically available

Co-funded  
by the Third Health Programme  
of the European Union

# Task 5.2

- 8 partners are implementing 5 good practices
- Partner sites are currently working through the pre-implementation strategy
- Two partners have hosted sites visits (Lombardy Workplace Health promotion, Milan and Active School Flag, Dublin)
- Three sites have be arranged (J.O.G.G in Helsinki, Multi-Modal in Reykjanesbær, and TouBox in Valletta)
- Partners will have their SCOPE, SWOT, and pilot action plans ready for September

# Task 5.3

- Questionnaire of health promotion examples and success factors of intra and inter-sectoral collaboration
- Aim to receive at least one example of every participating country
- Countries with more participating organization per country (e.g. Italy with 4 organisations) at least 2-3 examples (e.g. one example for a national plan (which we already have received) and a more local programme).
- Partners can use an existing practice from CHRODIS, but more detailed information about the collaboration has to be provided
- Deadline has been extended till end of June

# Forthcoming

- Work Package 5 Meeting October 20<sup>th</sup> in Brussels
- Pilot Action Plans delivered in mid-September by implementing sites
- Task 5.3 participants will be contacted for follow up details in the Autumn
- Implementation phase starts in the Autumn
