

**CHRODIS+**  
IMPLEMENTING GOOD PRACTICES FOR CHRONIC DISEASES

Co-funded  
by the Third Health Programme  
of the European Union

WP7 Workshop

Budapest, May 13th 2019

Use of the JA CHRODIS Quality Criteria and Recommendations: enablers, barriers, key messages. How Danish Committee for Health Education sees it.

Lars Münter, Danish Committee for Health Education  
- collaborating partner of WP7

chrodis.eu

# The Danish Committee for Health Education

Interdisciplinary bridgebuilder and stakeholder platform

Represent all kind of Danish HCP orgs & the system

Create material, concepts, data, and change

A lot about empowerment – mostly about citizens

Co-funded  
by the Third Health Programme  
of the European Union

# Approach to the JA CHRODIS Quality Criteria and Recommendations (QCR Tool) (methodology)

A tool should help creation & enable action

1. Does it?
2. Can we apply it to our projects?
3. Can we fund the application?
4. Can we navigate priorities?

Co-funded  
by the Third Health Programme  
of the European Union

# Enablers for the JA CHRODIS Quality Criteria and Recommendations (QCR Tool)

1. Interdisciplinarity, Digitalization, Sustainability, New tech, Demographics
2. Patient organisations
3. EUREGHA, municipalities
4. ENOPE, SCiE, CEmPaC, Smart Villages, IFHP

All need good quality criteria - and recommendations

Co-funded  
by the Third Health Programme  
of the European Union

# Barriers to the use JA CHRODIS Quality Criteria and Recommendations (QCR Tool)

1. Lack of knowledge
2. Lack of backing
3. Lack of funding
4. Lack of creativity

All exist in abundance...

Extra work for poorly funded players means?

# Practical use of the JA CHRODIS Quality Criteria and Recommendations (QCR Tool) – key findings

1. Describe more than guide
2. Little visualization
3. Mapping please – are all criteria created equal?
4. A map please – where to find help?
5. How would they work in the ecosystem?

# Practical use of the JA CHRODIS Quality Criteria and Recommendations (QCR Tool) – key messages

1. Be practical – show, don't tell
2. Recommend as concretely as possible
3. Be specific about where to apply the QCR
4. Measure – somehow
5. Let us get from nice to need

---

## The Joint Action on Implementing good practices for chronic diseases (CHRODIS PLUS)

This presentation arises from the Joint Action CHRODIS PLUS. This Joint Action is addressing chronic diseases through cross-national initiatives identified in JA-CHRODIS to reduce the burden of chronic diseases while assuring health system sustainability and responsiveness, under the framework of the Third Health Programme (2014-2020). Sole responsibility lies with the author and the Consumers, Health, Agriculture and Food Executive Agency is not responsible for any use that may be made of in the information contained therein.
