chrodis.eu

Why?

Information, Interaction and Inspiration

Why?

- Provide interim follow-up on the use of QCR Tool
- Support the capacity of partners and implementers for patient involvement into the pilot sites implementation and to study visits
- Support and/or increase the capacity of partners and implementers, to plan, organise and deliver their study visits happening in 2019
- Continue with the collaborative methodology used in Ljubljana: experience-sharing and cross-fertilisation

WP7 pilot sites overview

Slovenia - Integrating primary and secondary care

General Hospital Novo Mesto, and the Primary Healthcare Centre Novo Mesto

Serbia - **Prevention and care of NCDs at primary health care level** - Primary Care Units with close cooperation with Institute of Public Health of Serbia and Ministry of Health

Croatia - **Implementing quality of care indicators in managing NCD patients** Primary Health Care Centers in collaboration with the Croatian Institute of Public Health

Finland - **Implementation of chronic disease prevention among immigrant population groups** - Primary health care and Family Federation of Finland

Greece - **Improvement of self-management through education and training in patients with hypertension and diabetes** - Specialised Care management and Integrated Care Call Centre

Spain, Bulgaria, Germany will conduct pilot actions on **mobile IT tools for self-empowering** the persons with chronic diseases, also using QCR Tool

WP7 pilot sites overview

Number of pilot sites in WP	Task 7.2 - 5 Task 7.3 - 3
Number of Pilot Action Plans delivered to MIRCA by pilot sites	Task 7.2 - 5 Task 7.3 - 1/2
Number of MIRCA reviewed (approved) Pilot Action Plans	Task 7.2 - 4 Task 7.3 - 1
Countries participating in the implementation	Task 7.2 - Croatia, Finland, Greece, Serbia, Slovenia Task 7.3 – Germany, Bulgaria, Spain

Co-funded
by the Third Health Programme
of the European Union

Pilot Implementation Task 7.2

Partners	Croatia - CIPH, Finland - THL, Greece AUTH, Serbia - UBEO Slovenia - NIJZ and General Hospital Novo Mesto
Timeframe	October 2018 – November 2019
Update	Pilot plans reviewed Implementation ongoing

Pilot Implementation Task 7.3

Partners	Bulgaria – NCPHA, Germany - UHREG, Spain - CSC
Timeframe	October 2018 – February 2020
Update	Integration of the data science features of OVGU into the technical solution for the pilot sites Definition of Diabetes adapted questionnaires Definition of patient's informed consent form Translation from German to Spanish and Bulgarian Pilot plans ongoing

Agenda - Day 1

Day I

10:00-10:30	Registration
10:30-12:30	Meeting with CHRODIS Plus Partners and Ministry of Health of Serbia (TBC)
12:30-13:30	Light Lunch
13:30-13:45	Welcome to the Workshop
13:45-14:15	M. Maggini, J. Zaletel: Linking the Workshop with the previous meeting in Ljubljana, Slovenia and to the future activities
14:15-14:45	EPF Session on Patient Involvement and Patient Empowerment
14:45-15:00	Q&A
15:00-15:15	Coffee Break
15:15-16:30	Patient involvement in the pilot actions: a SWOT analysis, led by J. Zaletel (confirmed), reporting L. Ninov/V. Strammiello (TBC)
16:30-17:00	Group work: drafting of one joint SWOT per group
17:00-17:30	Reporting back
17:30	Closing of Day I

Agenda - Day 2

Day II

08:45-9.30	Partners from Pilot Actions reporting back (7 min per country)
9.30-11:00	Enablers/facilitators and barriers for the use of QCR Tool: Focus Groups: Focus group 1 led by V. <u>Strammiello</u> , reporting L. Ninov; Focus group 2 led by J. Zaletel, reporting by D. <u>Bahč</u> ;
11:00-11.15	Coffee Break
11.15-11.45	Group work reporting
11.45-12:45	Organization of the Study visits, delivered by EPF
12:45-13:00	Key recommendations for future implementations (<u>M.Barbolini</u>)
13:00-13:15	Wrap up, Conclusion and Next Steps
13:15-14:00	Closing Light Lunch

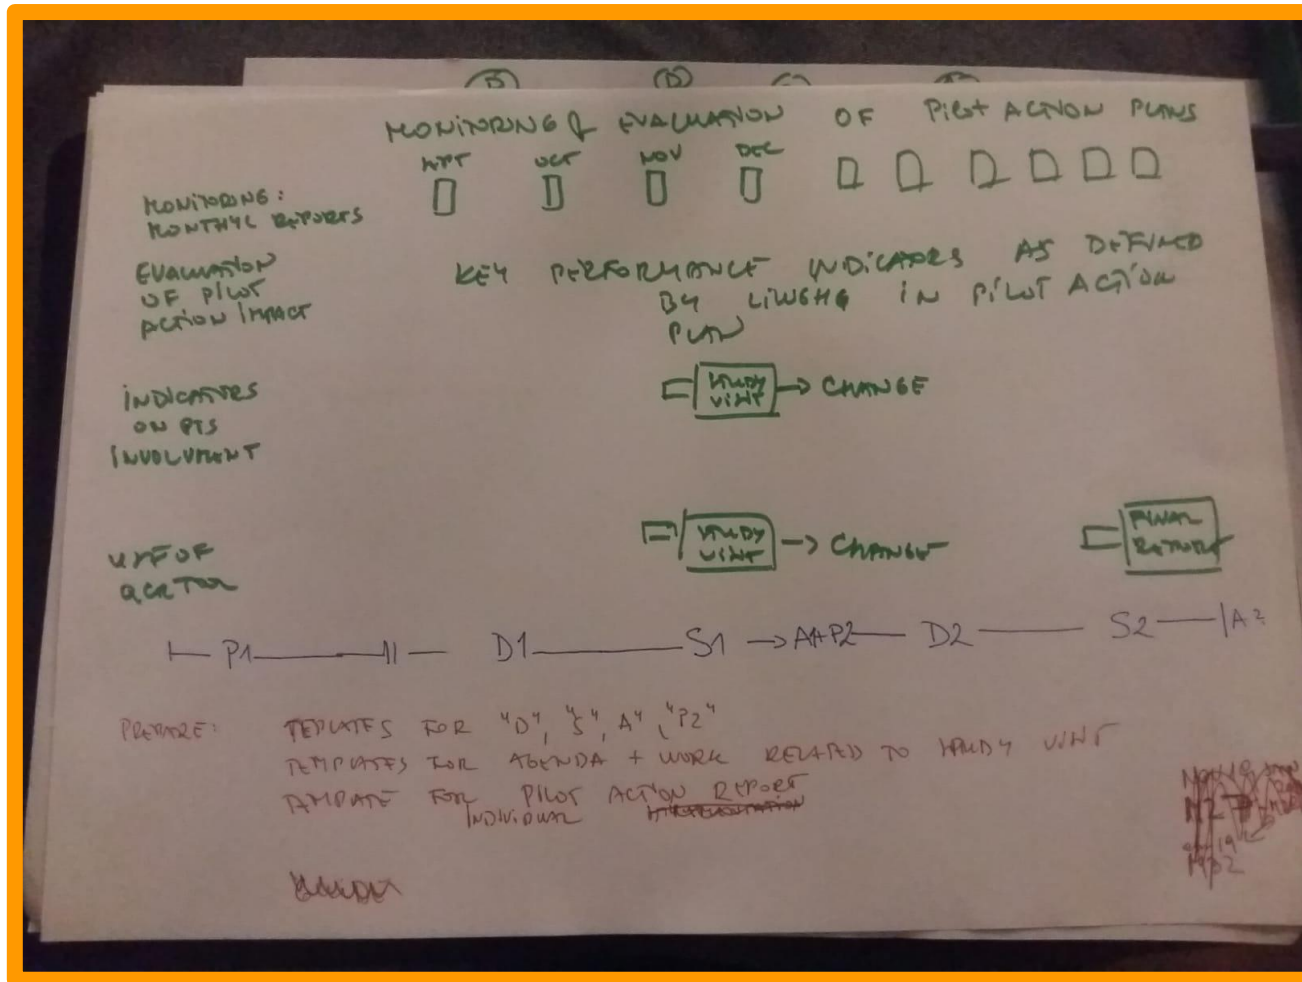

CHRODIS+

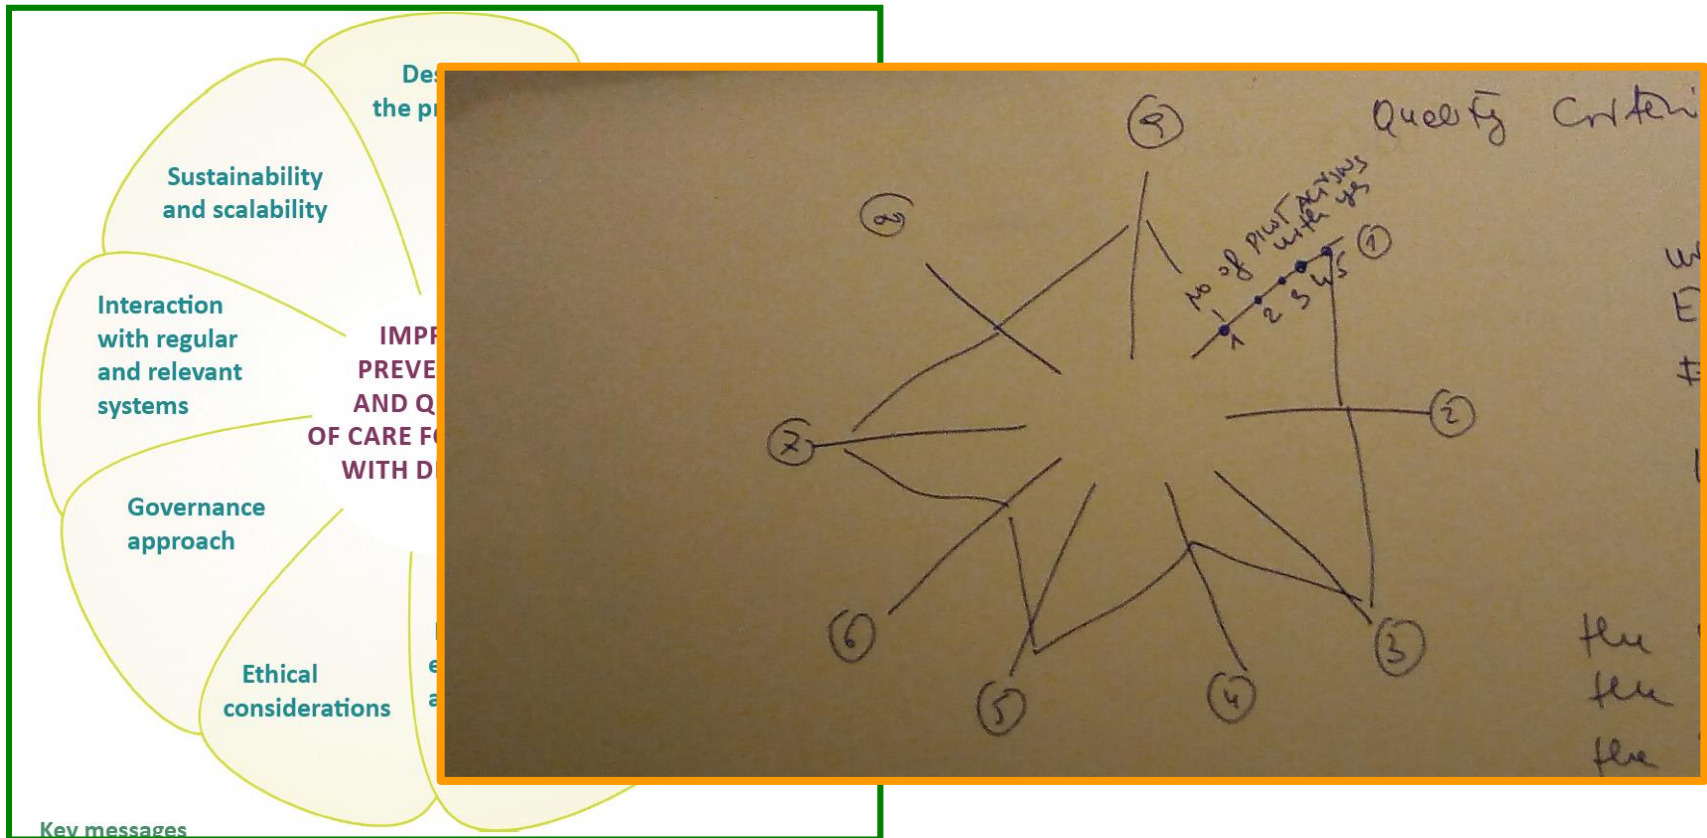

IMPLEMENTING GOOD PRACTICES FOR CHRONIC DISEASES

Future activities

Monitoring and Evaluation

Final results

Next steps

Key recommendations for future implementations

Templates for monitoring and evaluation of Pilot Action Plans, frame for data collection

Organization of Study visits (February – April 2019) dates to be agreed with partners

WP7 Meeting - Budapest, May 13th, 14:00 – 18:00 pm (*timing tbc*)

Thank you for your attention

The Joint Action on Implementing good practices for chronic diseases (CHRODIS PLUS)

This presentation arises from the Joint Action CHRODIS PLUS. This Joint Action is addressing chronic diseases through cross-national initiatives identified in JA-CHRODIS to reduce the burden of chronic diseases while assuring health system sustainability and responsiveness, under the framework of the Third Health Programme (2014-2020). Sole responsibility lies with the author and the Consumers, Health, Agriculture and Food Executive Agency is not responsible for any use that may be made of in the information contained therein.
